

Notice to Tokuzato Housing Customers

EFFECTIVE 24 APRIL 2020

As the Coronavirus continues to affect Japan, we all recognize the importance of limiting physical contact with other persons. Due to the way G.I. Bill Pay Service (GIBP) conducts its business, it naturally reduces physical contact between persons by paying bills electronically.

In partnership with Tokuzato Housing, who is also trying to keep their customers and staff healthy, GIBP is offering free service through October 2020 to pay rent and utility bills for new customers of GIBP. The service fee will be charged beginning with the November 1st transaction which will be effective on October 30th due to the 1st falling on a weekend.

It is easy to sign up and you do not even need to come to the GIBP office to sign up. You can send an email to signup.okinawa@gibillpay.com and we will contact you with all the information you need to sign up. If you wish to sign up at our office we ask that you go to <https://gibp-okinawa.appointlet.com> to set up a time to visit our office.

Please stay safe and healthy!
