

**How to translate web pages into English
Microsoft Edge Ver.**

※Almost the same operation as Google chrome

① Open the page below:
<https://www.okidenmail.jp/bosai/info/>

② Right click on blank area to open right click menu.
③ Choose "Translation" section.

④ Click "Translation into" section on address bar.

Due to the influence of Typhoon No. 6, power outages have occurred in the following areas, and we apologize for the inconvenience.
Currently, the rain and wind are strong and it is dangerous for outdoor work, so we are conducting restoration work by remote control. As soon as the wind and rain subside, we will immediately start full-scale outdoor restoration work, so we ask for your understanding and cooperation.
Inquiries about power outages.
